(57) **CLAIM**

The ornamental design for a paper towel, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of the paper towel of the present invention; and,

FIG. 2 is a bottom plan view of same.

The surfaces or portions of the article not shown in the drawing or described in the specification, as well as the specific depth or height and profile of the individual oval and round elements, form no part of the claimed design.

In the drawings, the broken lines depict the boundaries of the claimed design and form no part thereof.
